

BUILT TO LAST. DESIGNED TO MOVE.

ONTARIO

Ontario combines a durable ripstop construction with over 25% stretch, delivering outstanding freedom of movement without compromising long-lasting performance.

Developed with bio-based stretch polyester, it's engineered for modern workwear where comfort and durability go hand in hand.

BIO-BASED
STRETCH POLYESTER

RIPSTOP CONSTRUCTION

Enhanced tear resistance for demanding environments.

OVER 25% STRETCH

Greater freedom of movement throughout the working day.

BETTER COTTON INITIATIVE

Supporting more responsible cotton sourcing.

INDUSTRIAL LAUNDERING

Engineered to perform wash after wash.

BIO-BASED STRETCH POLYESTER

Supporting a more sustainable approach to workwear.
