

TOUGHER BY DESIGN. FLEXIBLE BY NATURE.

FLAMETOUGHER 240AS FLEX

FLAME RETARDANT FABRIC

Combining CORDURA® NYCO technology with XLANCE® stretch technology, Flametougher 240AS Flex is engineered for demanding industrial environments where durability, freedom of movement and long-lasting comfort are essential.

FLAME RETARDANT FINISH

Engineered for lasting flame retardant performance.

ARC FLASH PROTECTION

Tested performance against electric arc hazards.

INDUSTRIAL LAUNDERING

Engineered to maintain performance wash after wash.

2-WAY STRETCH

Greater freedom of movement and all-day comfort.

CORDURA®
Advanced Fabrics

CORDURA® NYCO TECHNOLOGY

Exceptional durability and abrasion resistance.
