

LIGHTWEIGHT BY DESIGN. READY FOR WORK.

MICHIGAN

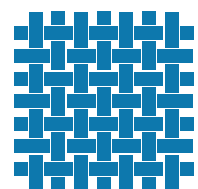

Michigan combines a lightweight plain weave with integrated ripstop and over 25% stretch, delivering outstanding freedom of movement without compromising durability.

Developed with bio-based stretch polyester, it provides enhanced comfort, excellent tear resistance and a clean, professional appearance for modern workwear.

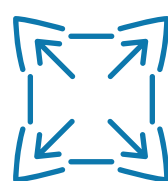

LIGHTWEIGHT 170 GSM

Providing comfort without unnecessary weight.

PLAIN WEAVE WITH RIPSTOP

Enhanced tear resistance and durability.

OVER 25% STRETCH

Freedom of movement throughout the working day.

BIO-BASED STRETCH POLYESTER

Supporting a more sustainable approach to workwear.

BETTER COTTON INITIATIVE

Supporting more responsible cotton sourcing.
