INSIDE INNOVATION

EDITION 14

SMARTER FIBRES. STRONGER FOUNDATIONS.

GRIZEDALE

Grizedale combines recycled polyester and bio-based stretch polyester with a robust 1/2 Panama weave, delivering durability, flexibility and wearer comfort for modern workwear.

Developed for tailored and corporate applications, its 245gsm construction, crease resist finish and 2-way stretch provide long-lasting performance and a professional appearance, while supporting more responsible material choices.

52% RECYCLED POLYESTER

Supporting more responsible material choices.

2-WAY STRETCH

For enhanced freedom of movement.

DURABLE PANAMA WEAVE

Robust construction for demanding wear.

INDUSTRIAL LAUNDERING

Suitable for professional laundering.

BIO-BASED STRETCH POLYESTER

Providing flexibility and wearer comfort.
