

STRENGTH THAT LASTS. COMFORT THAT MOVES.

FLAMETOUGHER 290AS FLEX

FR STRETCH FABRIC

Flametougher 290AS Flex combines CORDURA® NYCO technology with permanent XLANCE® stretch and a durable flame retardant finish to deliver exceptional abrasion resistance, reliable protection and lasting comfort in the toughest industrial environments.

ABRASION RESISTANCE

Engineered to withstand tough conditions and prolong garment life.

XLANCE® STRETCH

Built-in stretch for greater freedom of movement and all-day comfort.

FR TREATMENT

Provides durable flame retardant protection.

INDUSTRIAL LAUNDERING

Engineered to maintain performance wash after wash.

ANTISTATIC PROPERTIES

Helps reduce static build-up for enhanced wearer comfort and safety.
