

BUILT FOR STRENGTH. MADE TO MOVE.

GRASMERE

Grasmere combines the strength and abrasion resistance of a 1/2 Panama weave with bio-based stretch polyester, delivering improved flexibility and wearer comfort.

Durable, versatile and easy to care for, it is designed to meet the demands of modern professional and corporate workwear.

1/2 PANAMA WEAVE

Enhanced strength and abrasion resistance.

2-WAY STRETCH

Improved flexibility for greater freedom of movement.

BETTER COTTON INITIATIVE

Supporting more responsible cotton sourcing.

INDUSTRIAL LAUNDERING

Designed for professional laundering requirements.

BIO-BASED STRETCH POLYESTER

Supporting a more sustainable approach to workwear.
